As part of their curriculum, these upper-level students **must** perform in at least one of MBT's two major ballet productions annually to develop the artistry and confidence required to progress to the next level. In the instance that you have a known conflict with both ballet productions, please discuss with the artistic staff in advance for options to obtain performance credit.*

All Contemporary Division students are also eligible to perform at the Contemporary Showcase at MBT's Black Box Theater in April 2018. Ballet 9 – Contemporary Division students are required to participate in the showcase.

ADAPTIVE DANCE

MBT's Adaptive Ballet Program encourages integration into mainstream classes for ambulatory dancers with special needs ranging from developmental, orthopedic, cognitive, and behavioral impairments. One-on-one assistants are encouraged to join class with the student if needed. Funding for a one-on-one class assistant may also be available through a generous MBT donor if your family needs assistance. Please inquire for details.

PRIVATE LESSONS

MBT offers private lessons in nearly every discipline taught in the academy, in individual or small groups. Perfect for homeschool groups. Please call for details.
